RE: **CALL FOR TASP PRE-COLLEGE SCHOLARSHIP APPLICATIONS:**
DUE DATE: APRIL 28, 2017

The Tennessee Association of Special Programs is pleased to announce our annual scholarship competition. TRIO participants are invited to compete for Pre-College Scholarship awards of \$400.00. These awards may be used to help defray postsecondary educational costs during the 2016 academic year.

Enclosed are application materials needed to apply for these scholarships along with a list of current TASP individual and institutional members. The application can also be downloaded on TASP's website at <http://www.tasp trio.org>. *Only one application may be submitted per TRIO program. Institutions which have more than one program (e.g. Student Support Service, Educational Opportunity Center, Veterans Upward Bound, and McNair Scholars, Educational Talent Search (ETS participants age 19 and older)) may submit an application for each project. Sponsors of applicants MUST BE CURRENT MEMBERS OF TASP as well as their respective institutions. Refer to the list of TASP's individual and institutional members to ensure your membership is current or contact [Virginia Reed, Vrreed@NortheastState.edu](mailto:Virginia.Reed@NortheastState.edu).*

NOTE: Institutions/agencies that send more than one application from the same program will be disqualified.

Applicants will be judged and rated in the following areas (see **Rating Scale for Detailed Point Values**)

Please be sure to go over the applications with your students for accuracy and completion before submitting

1. Essay (content, grammar, format, etc.) (40 points)
2. Academic performance/scholarship (GPA, ACT/SAT) (15 points)
3. Honors and awards (15 points)
4. Two recommendation letters (10 points)
5. Leadership/school activities, community service (detailed description of service) and TRiO Activities (20 points)

Each application will be reviewed and rated by the TASP Scholarship Committee. No applicant's material will be reviewed by a person from the same institution and each application will have at least three readers.

Applicants and their sponsors will be notified of results by the end of **May 2017**. The names of winners will be announced at the Student Initiatives and posted on TASP's website (www.tasp trio.org).

In order for winners to receive their awards, students must provide official verification of FALL 2017 enrollment in a postsecondary institution by **September 30, 2017 to Virginia Reed. Award checks will be issued during the fall semester and made payable to the student.**
